Season 2011/2013

## Cabin Charter :

You embark on a comfortable catamaran. Your professional skipper, who is also a helpful assistant, knows for 100% his sailing area with all its paradisiac hidden bays, and he contributes to the succes of your exotic, sportif and entertaining sailing holiday. You will enjoy the wonderful crossings from island to island. Either you participate in sailing and manoeuvring in order to improve your experiences, or you are just lazy passenger.

At sunset, a glass of « Ti-Punch » relaxes you from the windy sailingday. Excited by the today's fishing, you discuss the crossing and the anchoring for tomorrow. There is always a pleasant moment and fun, when the whole team prepares together the meals.
